

How *Jobs for NSW* can help your business

To help create meaningful jobs across the state, Jobs for NSW are supporting startups, small to medium enterprises (SMEs), regional businesses and Gazelles* to build momentum.

We have a plan to deliver **one million new jobs** over the next two decades. And as part of our initiative, we hope to grow female representation amongst startups and within the entrepreneurial space.

To achieve this, we need to support the industries and businesses that generate sustainable jobs across NSW.

Our target industries include:

- Tourism
- International education
- Goods export to Asia
- Digital innovation
- Financial and professional services
- Advanced manufacturing
- Life sciences
- Infrastructure and smart cities
- Creative industries
- Environmental technologies
- Regional headquarters and multinationals

Jobs for NSW offer performance-based financial support that matches different stages of business growth, including:

Minimum Viable Product (MVP): Eligible startups can receive up to 50% of approved project costs (maximum of \$25,000) to develop market prototype for customer feedback

Building Partnerships (BP): Eligible businesses can receive up to 35% of approved project costs (maximum of \$100,000) to build critical accounts and expand customer base

Accelerating Growth Loans (AGL): Direct loans of \$100,000 - \$300,000 to support investment in growth and create jobs. At least 50% of the loan must be used to hire additional staff in their NSW business

Gazelle Loan Guarantees (GLG): Eligible businesses can be guaranteed 50% of the amount lent to the business by a financial institution (up to \$5 million of the loan amount) to access working capital to expand their growth and create jobs

Regional Solutions (RS): Operating as a pilot program, eligible businesses based in Regional NSW can receive up to 50% of the total project costs (pilot closes 9 Dec 2016, 5pm) to enable growth and job creation in Regional NSW.

All applications are assessed on a case-by-case basis by our Client Engagement Advisors.
